

# Présentation des doctorants en 1ère année

Presentation of :  
*Christophe RIGAUD*

*Building: Pascal*

*Office: 121bis*

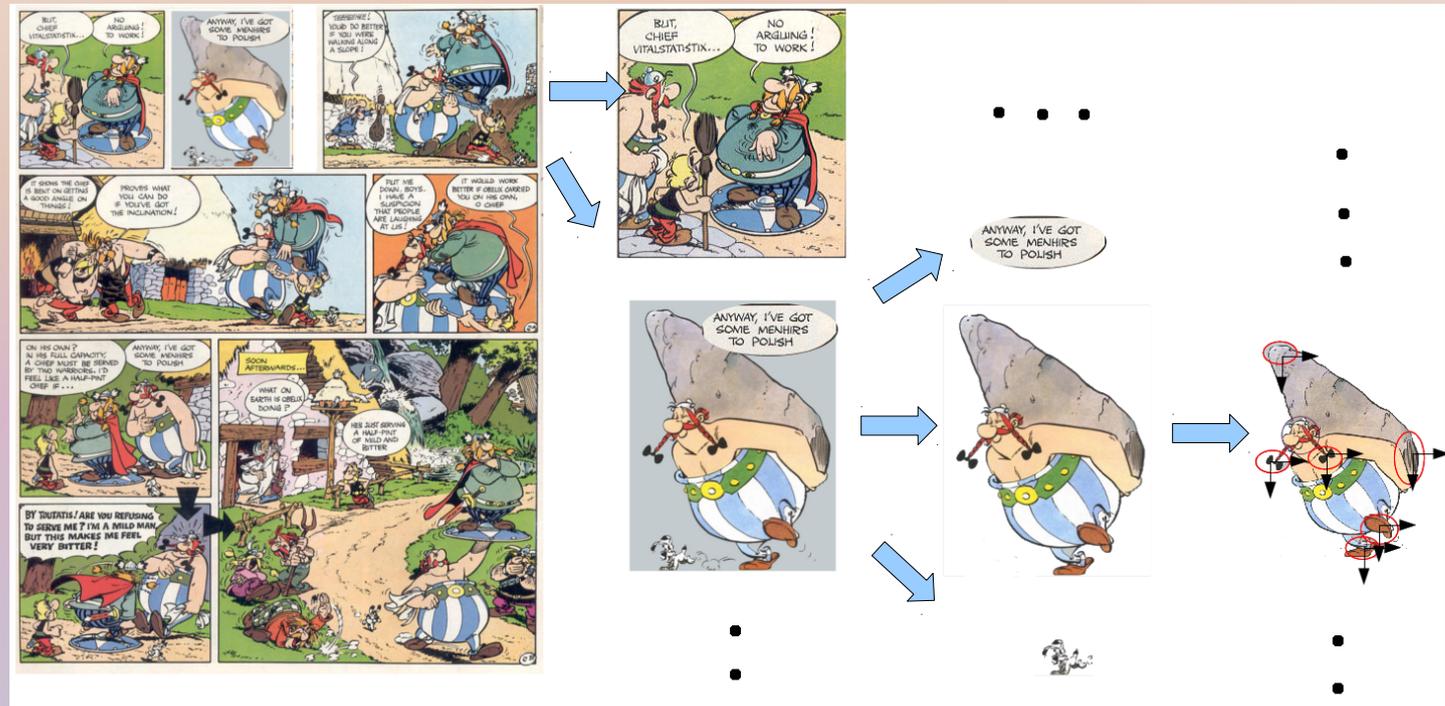

*Website: [www.christophe-rigaud.com](http://www.christophe-rigaud.com)*

# Curriculum / Cursus

- ***Master of Research (Dynamic System and Signals)***
  - 2010-2011 | *LISA | Angers FR*
    - *Project: state of the art of image interpretation by topologic and photometric a priori informations*
- ***Engineer of Computer Science and Automation***
  - 2008-2011 | *ISTIA | Angers FR*
    - *Project: image matching method based on mapping, object recognition and machine learning (SURF)*
- ***Three-year degree in automatism and network system***
  - 2007 – 2008 | *IUT Salon de Provence | Marseille FR*

# Research topic / Sujet de recherche

- *Interactive segmentation and indexation of graphical objects*

- *New possibility of reading and data mining for comics*

# Skills / Compétences

- **Programming:** Python, C++, Java, C#
- **Web programming:** PHP, .NET, HTML5, Flex
- **Image processing:** Matlab, ImageJ, OpenCV, VTK
  
- **Hobbies:** travel, web design, ecology minded, billiard, biking, badminton and tennis

*Presentation of :*  
*Rouaa WANNOUS*

*Building: Pascal      Office: 121      Phone: 06 77 19 79 87*  
*Email: [rouaa.wannous@univ-lr.fr](mailto:rouaa.wannous@univ-lr.fr)*

# Curriculum

- 2010-2011: Master in AIW in Grenoble, France
  - Explaining Argumentation over Alignment Agreements
- 2007-2010: Programmer and Assistant Teacher at HIAST and SVU, Damascus, Syria
  - developing a web site for ASST
  - analysing and modelling SR project
- 2006-2007: Diploma in HRM in Damascus, Syria
  - programmer at NVS, Damascus, Syria
- 2001-2006: Bachelor degree in Informatics in Damascus, Syria

# Ontological approach to use trajectories

- *Study trajectories :*
  - *the spatial, temporal, thematic properties*
- *Approach from raw level to semantic level*
- *Implement a solution to :*
  - *Analyse seals trajectories*
  - *Answer complex queries*
  - *...*

# My Skills

- Computer skills
  - PL: C/C++, Java, VB.net
  - IWP: XML, JQuery, ASP.NET, BPMN
  - CMS: Drupal, DotNetNuke
- Additional information
  - languages: Arabic – English
  - hobbies: horse riding- paragliding- biking- climbing

Presentation of :  
***Guillaume CHIRON***

*Building: Pascal*

*Office: 131*

*Phone: 05 46 45 70 92*

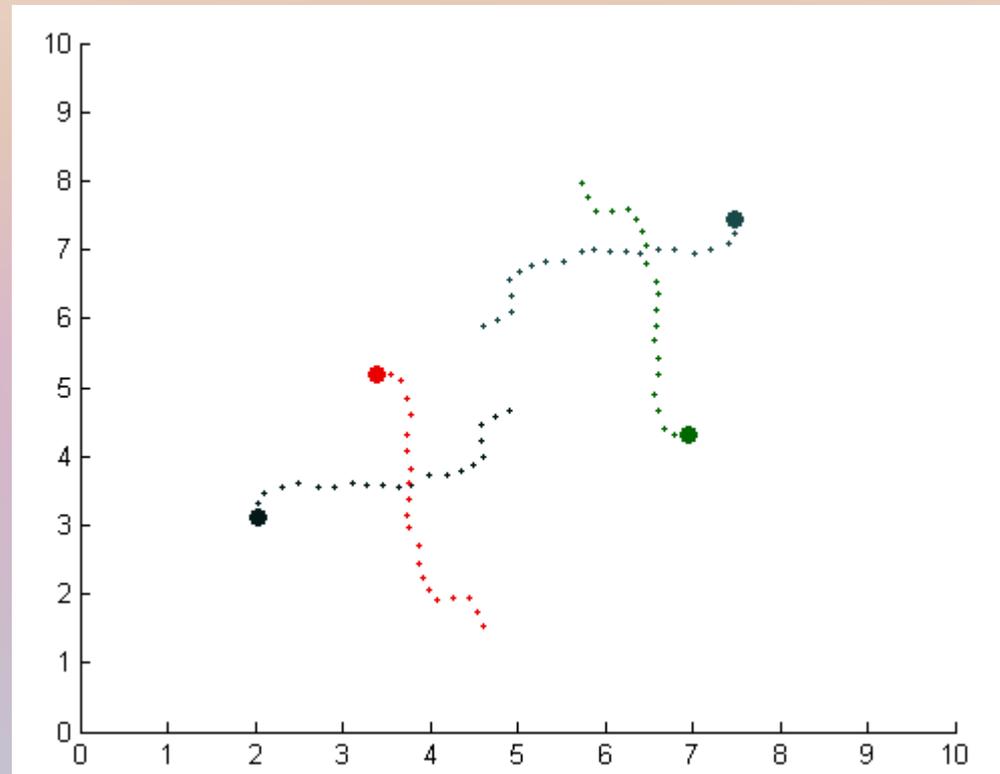

*Email: [guillaume.chiron@univ-lr.fr](mailto:guillaume.chiron@univ-lr.fr)*

# Curriculum / Cursus

- **2010 : Master ICONE Artificial Intelligence & Multimedia**  
(La Rochelle FR & Hanoi VN)  
*Project : Content based image retrieval using multi-agent system driven by attraction/repulsion rules.*
- **2008 : BSc Computer Science**  
(Middlesbrough UK)  
*Project : Realtime multi-user teaching system on the cloud.*
- **2007 : DUT Informatique**  
(La Rochelle FR)

# Research topic / Sujet de recherche

**COMPUTER VISION** : *Multi-target multi-hypothese tracking*

# Skills / Compétences

- **Programming** : C, C++, C#, Java (android sdk/ndk)
- **Web programming**: HTML5, Php + Javascript
- **Image processing**: Matlab, OpenCV
  
- **Hobbies**: travel, climbing, biking.

Presentation of :

***Quang Anh BUI***

*Building: Pascal*

*Office: 126*

*Phone: 06 38 79 30 08*

*Email: quang\_anh.bui@univ-lr.fr*

# Curriculum / Cursus

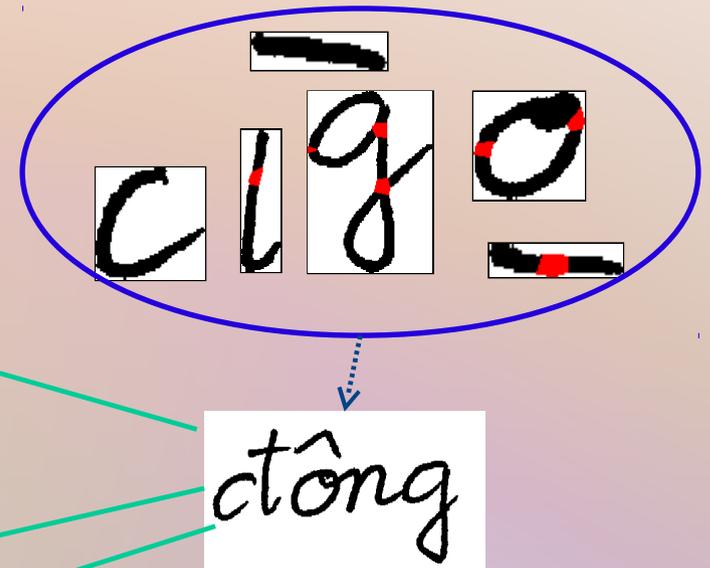

- **2010 : Master ICONE Artificial Intelligence & Multimedia**  
(La Rochelle, FR & Hanoi, VN)  
*Project : Writer identification for manuscripts handwritten recognition.*
- **2009 : Master 1 Informatics**  
(IFI, Hanoi, VN)  
*Project : Retrieval feedback based on images and regions.*
- **2007 : Licence Informatics**  
(Vietnam National University, Hanoi, VN)

# Research topic / Sujet de recherche

**DOCUMENT RETRIEVAL** : “An omni-language generic system for navigating in ancient document databases using word retrieval based on query composition”

Đường như ai đi ngang của  
Gió mùa **đông** bắc se lòng  
Chút lá thu văng đã rụng  
Chiều nay cũng bỏ ta đi  
Năm nghe xôn xao tiếng dơi  
Mà ngỡ ai đó nói cười  
Bỗng nhớ cánh bướm xưa ấy  
Gió tây cũng bỏ ta đi

Làm sao vẽ trước mùa **đông**  
Dòng sông dơi bỏ cát trắng  
Làm sao vẽ trước mùa **đông**  
Đề nghe chuông chiều xa vắng  
Thôi đành ru lòng mình vậy  
Vỡ như mùa đông đã về

# Skills / Compétences

- **Programming** : C++, C#, Visual Basic, Java
- **Database systems**: MySQL, SQL Server, Oracle
- **Programming library**: OpenCV
  
- **Hobbies**: computer games, ping-pong, swimming.

Presentation of :  
*Romain Bertrand*

*Pascal*      *121Bis*  
*romain.bertrand@etudiant.univ-lr.fr*      *romain.bertrand13.free.fr*

# Curriculum / Coursus

Institute of Technology (Software Engineering)

Bachelor's degree (Computer Sciences)

Master's degree (Digital Content Engineering)

Doctoral thesis

- *Movie restoration (scratch correction), 2009*

- *Navigation in Galois Lattice (optimization, multi-thread), 2010*

- *A system to evaluate rhythmic patterns' complexity, 2011*

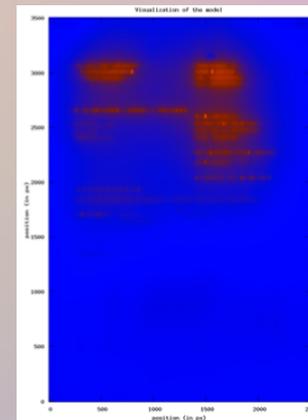

# Skills / Compétences

- *Development (C/C++, Java)*
- *Analysis & conception (UML 2.0)*
- *Image processing*
  - *Network, database...*
  - *WEB technologies*
  - *...*

# Research topic / Sujet de recherche

- *Authenticate original document using image copy*
  - *Detect forgeries*
  - *Confirm validity*
  - *Check content*
- *Text / image*
  - *OCR*
  - *Handwriting analysis*
  - *Image processing*
  - *....*

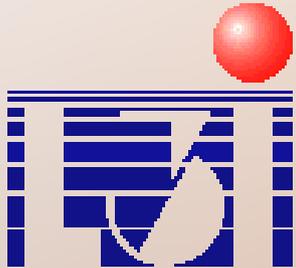

Dr. med. Paul Mustermann  
Hals-Nasen-Ohrenarzt  
Laserchirurgie

Presentation of :

***Van Toi NGUYEN***

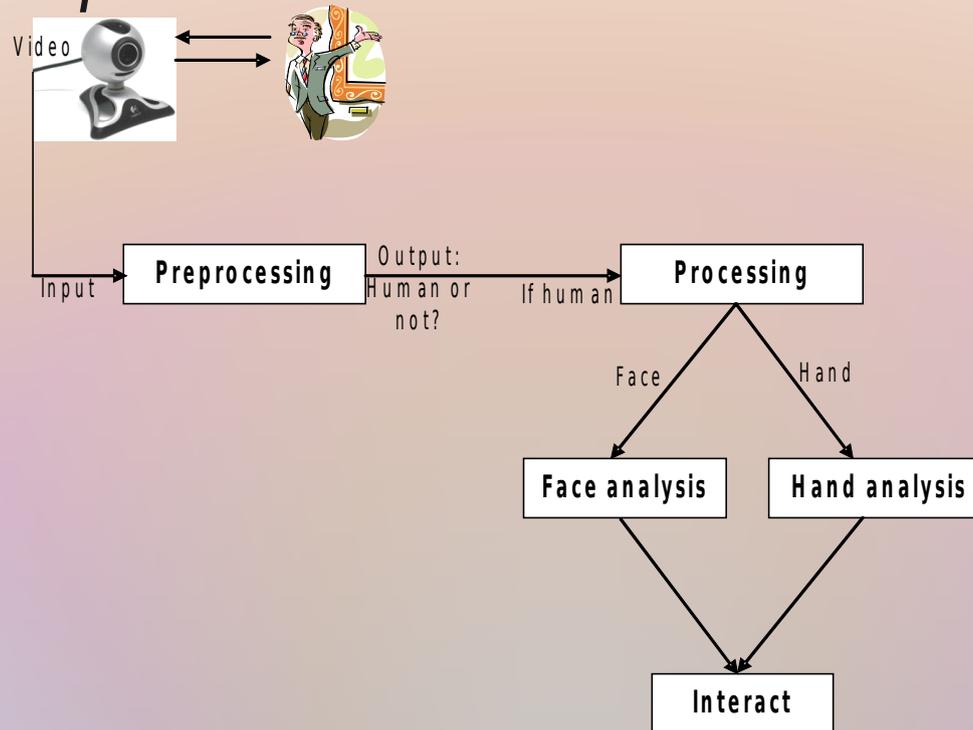

*Building: Pascal      Office: 121bis      Phone: 0761460012*  
*Email: [van\\_toi.nguyen@univ-lr.fr](mailto:van_toi.nguyen@univ-lr.fr)*

# Curriculum / Cursus

- **2005 : Master Computer Science**  
(Faculty of Information Technology - Thai Nguyen University - Vietnam)  
*Project : Some methods for image segmentation.*
- **2001 : BSc Informatics**  
(Hanoi National University of Education, VietNam)  
*Project : Train geometry by using CABRI*

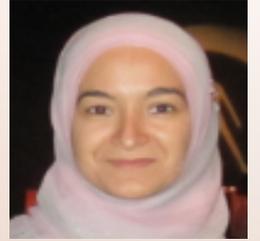

# Research topic / Sujet de recherche

## *Visual interpretation of Hand gesture for human-machine interaction*

# Skills / Compétences

- **Programming** : C, C++
- **Image processing**: OpenCV
- **Hobbies**: sports, travel, reading, music

*Presentation of :*

***Maroua MEHRI***

*Building: Pascal*

*Office: 123*

*Email: maroua.mehri@gmail.com*

# Curriculum / Cursus

- *2011 - Master's Degree Rennes 1 University: Research, in signal/image processing*
  - *Master's Degree ENISo: Research, in signals and communicating systems*
    - *M. Mehri, et al. Analysis of electrodes' placement and deformation in deep brain stimulation from medical images, SPIE Medical Imaging 2012*
- *2010 - Fixed-term contract*
- *2009 - Engineer ENISo, speciality: Applied Computer Science*

# Research topic / Sujet de recherche

- *November 2011 - PhD student on the Extraction of metadata related to "image" and "structure" contained in old documents.*
- *My supervisor is Mr. Rémy MULLOT, Mr. Pierre HEROUX and Ms. Petra KRAEMER.*
- *The thesis is funded by DIGIDOC-ANR*
- *Goal: Proposing a set of metadata characterizing the physical structure of pages in terms of homogeneous areas and topological relationships*

# Skills / Compétences

- **Languages:** Matlab, C, C++, Python, R
- **Tools:** MRICron, SPM, ANTS, TeXnicCenter
- **Libraries:** Qt, WxWidgets, VTK, VISTAL
- **Environments:** Microsoft Visual Studio, Dev-C++, Eclipse, PyDev, R-Commander, FactoMineR, Code::Blocks, Qt Designer, Wxformbuilder
- **Hobbies:** Travel, walking, new technologies

Presentation of :  
*Dounia AWAD*

*PASCAL Building , Office 31  
Email:dounia.awad@univ-lr.fr*

# Curriculum / Cursus

- *Master 1 speciality : Management information system(MIS), Lebanese university*
- *Master 2 speciality :bio-informatics and modeling Lebanese university.*
- *Second year Ph.D. student, L3I laboratory , la Rochelle university.*

# Research topic / Sujet de recherche

- *Ph.D. thesis: “ Design of visual attention system to analyze the behavior in interactive activities context” , led by Arnaud Revel, Vincent Courboulay*
- *goal:aims to recognize objects in images and videos based on a previous work developed by M. Pereira Da Silva at the laboratory.*
- ...

# Skills / Compétences

- Programming language:
  - JAVA, HTML, SQL, UML, C++, C, PERL, IDI2005.net, PHP, XML, PLSQL, XSLT, LISP, LINQ, ASP.NET MVC .
- Applications :
  - SQL Server, Oracle, Rational Rose, SPSS, Matlab.

Presentation of :

***Phuong Le Viet***

*Building: Pascal*

*Office: ?  
Email: ?*

*Phone: ?*
